*Create in the program and print from your desktop or order directly online

3 Easy Steps! Logo Designer gives you everything you need to create a professional logo for business cards, letterhead, brochures—even your website, in 3 easy steps! Distinguish your presence on the Internet by animating your logo. Make a lasting impact with an impressive and creative logo!

1. Choose a Logo Template.

Select a pre-designed logo template or create your own logo from our creative library of graphics, text, and animated artwork.

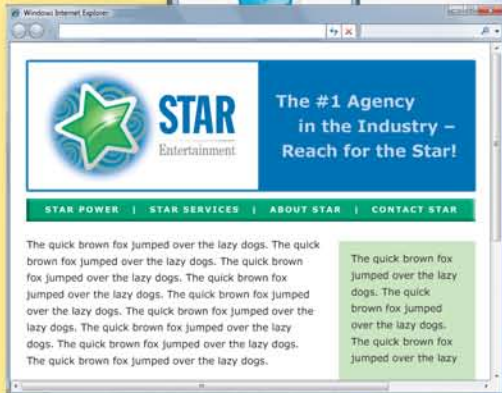

2. Customize Your Logo.

Choose from an array of design tools to modify your professional logo template. Add a slogan or tagline—and animation!

3. Export Your Logo!

Your new logo is ready to use on print materials, sales presentations, flash videos—and your website! Export as a JPEG, PDF, PNG, GIF, BMP, TIFF, or SWF for web or print.

Create a Lasting Impact With an Impressive Logo!

Your logo will reinforce your company's branding! Use it for all your media and print media applications.
