HOME DESIGN

DELUXE

TOTAL3D
HOME DESIGN

START TO FINISH
Faster & Easier than Any Other Brand!

Completely Integrated Home Design Software

TOTAL 3D™ Home Design is designed for you, the homeowner, rather than an architect or contractor. Whether you are designing your dream home, remodeling a kitchen or bathroom, or creating the ideal outdoor living space, you'll have all the tools and inspiration you need.

Easy-to-Use & Complete

Simply drag-and-drop to get started quickly. Search through sample plans or scan and trace your own designs.

High-Quality Results

Decorate and furnish with realistic 3D objects. Then view from any angle or fly-through a realistic rendering of your design.

Powerful Design Features

- Import Your Digital Photos
- Custom Roofs, Doors & Windows
- Advanced Lighting & Shadows
- Color-Coded Floor Plans

The Easiest Way to Design the Home of Your Dreams!

Get Started Quickly & Easily

Other brands can be complex and difficult to use! Only **TOTAL 3D™ Home Design** has a unique, user-friendly design that helps you get started quickly. No other home design software is easier to use!

Quick Plan Designer

Simply drag and drop **Smart RoomBlocks™** to create complex rooms, decks, pools – even angled rooms and walkways in seconds.

Scan & Trace Ideas into Blueprints

Quickly scan and trace a sketch of your dream home or garden or import a picture of any floorplan.

Import Digital Photos

Want to see how your favorite couch or chair will look in your new living room? Just import a picture of it.

EASY & COMPLETE

User-Friendly Interface

Now **TOTAL 3D™ Home Design** is faster and easier than ever before! With the enhanced user interface, powerful design tools are always at your fingertips.

EXTERIOR HOME DESIGN

Customize the Exterior of Your Home!

Custom Doors, Windows & Roofs

Choose from over 40 window and door designs. Then modify any dimension, color, or style to fit your design. Choose from Hip, Gable, Gambrel, Flat, Shed, or Mansard roofs. Adjust the angle and pitch for a custom design.

Design with a large variety of windows.

Select custom doors from leading manufacturers.

Select from a variety of roof types.

Exteriors

Interiors

Design Exteriors & Interiors Quickly!

Whether you are redecorating a room, remodeling your home, or building a new house, **TOTAL 3D™ Home Design** provides all the tools and inspiration you need.

Color-Coded Floor Plan

View your floor plan in full color and easily identify furniture, appliances, windows, doors and more in your design.

Millions of Design Combinations

Choose unlimited combinations of tiles, flooring, paint, wallpaper, bricks, concrete, shingles, and more — even import your favorite textures.

OVER 400 PATTERNS & TEXTURES

Kitchens & Baths

KITCHEN & BATH REMODEL

Visualize Expensive Projects Before You Start!

EXCLUSIVE FEATURE

Kitchens

Design the Kitchen of Your Dreams!

Designing the perfect kitchen has never been easier. Try new countertops, appliances, fixtures, and cabinetry in seconds and bring your designs to life.

Bathrooms

Visualize Remodels Before You Start!

Get started today! Plan the entire layout of your bathroom cabinets, showers, bathtubs, and fixtures. Just drag-and-drop objects – then view in a realistic 3D rendering.

20,000 Brand-Name Catalog

No other software provides you with all these products from leading manufacturers. Visualize them in your home before you buy!

Powerful Features for the Professional in You!

Includes advanced features found previously only in more expensive software.

- Electrical & Plumbing Fixtures
- Automatic Trim & Wallpaper
- Drag and Drop Floor Plans
- Square Foot Calculators
- Powerful Dimensioning Tools
- Staircases & Railings
- Much More!

Includes Brand-Names You Know & Trust

General Electric • Kitchen Aid
Maytag • Whirlpool • Sub Zero
DuPont • Kohler • Jacuzzi • Behr
Dutch Boy • Sherwin Williams
Benjamin Moore • American Standard • Moen • Delta
...& more!

EXCLUSIVE FEATURE

What is Real-Photo Dynamic Imaging™?

Only TOTAL 3D™ Home & Landscape includes advanced photo-rendering, which transforms the look of a room using **real photography**, not crude 3D renderings. No other solution is more powerful for illustrating your designs with realistic results.

Change patterns, textures & colors with more realism than any other software.

Home Design & Planning

Plan, Design, Visualize, Build & Enjoy

Import Digital Photos

Add Photos Into Your 3D Design!

Import pictures from the Web or your camera directly into your design. See precisely how your favorite furniture, lights, art, and plants will appear.

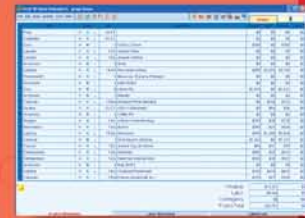

Try this in **OTHER SOFTWARE!**

Easily crop digital photos & add them directly into your designs.

Walk or fly-through your home using only your mouse.

Track estimates & actual costs of your plan.

Site Planning & Cost Estimating

Create designs that fulfill your dreams and fit your budget. **TOTAL 3D™ Home Design** automatically tracks estimated and actual costs of materials and labor.
